

Lake Santee Boosters Club

The Primary project of the Lake Santee Boosters Club is the *Smoke Signals* monthly newsletter.

We are 100% self-sustaining. Our funds come from the sale of ads and donations. This money pays for printing supplies and postage.

We would like to give credit to those who so unselfishly give their time to make this project a success. Without them Lake Santee would not have the *Smoke Signals*.

Printing and Addressing Staff

- DeLane Erdosy
- Bonnie Gilaspy

Treasurer

- Gloria Haycock

Editor

- Norma Smith

Copies of the current issue of the *Smoke Signals* may be obtained at the lake office.
