

Lake Santee Regional Waste District

13 SW Wrenn Parkway

Greensburg IN 47240

812 527-2943

May 18, 2001

To All Homeowners:

A few reminder notes for homeowners:

1) The District owns the grinder station and customers are not permitted to open the tank or control panel. If you have problems, call the 24-hour office number at 527-2943.

2) The pumps are durable, but certain materials are not allowed to be put down the drains by Ordinance No. 06-21-2000. The items are glass, metal, diapers, socks, rags, cloth, plastics, sanitary napkins, tampons, explosives, flammable materials, lubricating oils or grease, strong chemicals, gasoline, sand, gravel, fish scales, cleaning fluids, pesticides, herbicides and toxic chemicals. The cost of the first service call, where one of the above items has caused a problem, will be borne by the District. All future calls will result in charges to the customer as established by ordinance.

2) There is also an ordinance that prohibits the planting of trees, flowers, shrubs or other plantings within five feet of the station to allow accessibility. In addition no plantings shall be placed on the side of the pump facing the nearest road to promote visibility of the visual alarm from the roadway.

3) Painting of the control panel or pump tank is prohibited.

Any violation of the above will result in a minimum fine of \$100.00.
