

Lake Santee Women's Club

The Lake Santee Women's Club is an organization of LSPOA members, past members, and renters. We meet the second Monday of each month at 11:30 am in the Community Room for lunch, an informative program and a business meeting. Our group of women sponsors social events and fundraisers through the year which enables us to fund an annual scholarship and other projects within our community and throughout Decatur County. In addition to our meetings the group occasionally takes interesting day trips.

The Women's Club also has many items for sale. If interested in any of the following items, contact the lake office or one of the club officers.
